

Please Join the BPES PTA

"The mission and purpose of the PTA is to encourage parent and public involvement in the schools, to promote the welfare of children and to bring a closer relation to home and school for the education of children.

Please show your support by joining BPES PTA. The number one reason to join the PTA is to benefit your child. In doing so, you also help your child's school. There's no better way to know what's happening in your child's school.

When parents are involved, students perform better in school. By becoming a PTA member, you'll be demonstrating to your child the importance you place on education. It's not the amount of time you can contribute that's most important, but rather your commitment to help PTA make a difference in the lives of children. PTA appreciates everyone's membership, whether or not the member volunteers, because each member increases PTA's ability to advocate for children.

Attached is a PTA Membership form that you can return, along with your fee, to your child's teacher. Our membership fee is **\$5.00 per individual**, \$2.75 of which goes to the State and National PTAs to pay for handbooks, resource materials and programs they sponsor. The remaining portion will remain at our school.
